Hampshire is joining the Roots Soccer League for Spring 2018

The biggest change you will see is the format for the younger ages. For U8 it will be 5 v 5 and U9 and U10 it will be 7 v 7. We believe that this will allow for more touches and will increase soccer skills.

We will still be using Labrie Field, or Westfield as our home field and will travel to many of the same local fields (Agwam, Westfield, Amherst, Northampton....)

We believe this is a good and exciting change for Hampshire United Soccer, if you have any questions please do not hesitate to reach out to us - The Board of Hampshire United.
